About NeoStem

Overview

NeoStem, Inc. (“we,” “NeoStem” or the “Company”) continues to develop and build on its core capabilities in cell therapy to capitalize on the paradigm shift that we see occurring in medicine. In particular, we anticipate that cell therapy will have a large role in the fight against chronic disease and in lessening the economic burden that these diseases pose to modern society.

We are emerging as a technology and market leading company in this fast developing cell therapy market. Our multi-faceted business strategy combines a state-of-the-art contract development and manufacturing organization (CDMO) with a medically important cell therapy product development program enabling near and long-term revenue growth opportunities. Our service business and pipeline of proprietary cell therapy products work in concert, giving us a competitive advantage that we believe is unique to the biotechnology and pharmaceutical industries. Supported by an experienced scientific and business management team and a strategic and growing patent and patent pending (IP) portfolio, we believe we are well positioned to succeed.

Cell therapy, which now represents approximately a \$50 billion worldwide market opportunity in the burgeoning regenerative medicine industry, describes the process of introducing new cells into the body (tissue) in order to treat a disease, and comprises a separate therapeutic platform technology to that of the current three pillars of healthcare: pharmaceuticals, biologics and medical devices. It is widely considered a disruptive technology, e.g. “medicine from you for you.” Cell therapy has its origins rooted in blood transfusion, bone marrow and organ transplantation, tissue banking and reproductive *in vitro* fertilization. This 200-year journey, based initially on clinical trial and error and more recently on meaningful laboratory science, has culminated in the necessary critical mass to justify being a distinct industry in its own right. Thus, today cell therapy is considered the fourth and most recent therapeutic pillar of global healthcare. The first cell therapy approved by the U.S. Food and Drug Administration (FDA) in 2010 was PROVENGE®, (Dendreon Corporation) an autologous cellular immunotherapy for the treatment of asymptomatic or minimally symptomatic metastatic castrate resistant (hormone refractory) prostate cancer. The second approved therapy was Osiris' Prochymal® approved in Canada in May 2012 for 'graft vs. host disease' (“GVHD”). The growth rate of the cell therapy market is projected to be 15% compounded annually reaching an estimated \$88 billion by 2014 (MDB Capital Group report, 2011).

NeoStem's mission is to introduce the first cardiovascular cell therapy product to treat acute myocardial infarction. To that end through our wholly-owned subsidiary Amorcyte, LLC ("Amorcyte"), we are enrolling patients into the PreSERVE Phase 2 clinical trial in the U.S. for post AMI (acute myocardial infarction) patients and anticipate completing enrollment in 2013 with 6 months initial data readout at the end of 2013.

Supporting the regenerative medicine market, including NeoStem's Amorcyte product development pipeline, is Progenitor Cell Therapy, LLC ("PCT"), a wholly owned subsidiary of NeoStem. PCT is a leading CDMO, which is akin to the pharmaceutical industry's Contract Research Organization (CRO).

PCT prides itself on being a problem solver (consultant), implementation expert and cGMP manufacturing service provider from product discovery to commercialization for product developers. PCT has manufactured clinical products for over 5,000 patients (14,000 products shipped), participated in over 100 peer reviewed publications, collaborated in more than 50 FDA and EU regulatory filings and has passed each and every customer and regulatory agency audit to which it has been subject.

Our other significant research and development programs include Athelos Corporation ("Athelos"), which is approximately 80%-owned by our subsidiary, PCT. Athelos is engaged in a collaboration with Becton-Dickinson that is exploring the earlier stage clinical development of a T-cell therapy for autoimmune conditions. In addition, our pre-clinical assets include our VSEL™ Technology platform as well as our MSC (mesenchymal stem cells) product candidate for regenerative medicine. NeoStem's origins are in adult stem cell research and the collection and storage of adult stem cells.

Recent NeoStem Developments

Honing our Focus - Sale of NeoStem's 51% Interest in Erye

In October 2009, we acquired a 51% interest (the "Erye Interest") in Suzhou Erye Pharmaceuticals Co. Ltd. ("Erye") which was considered at the time to be an innovative business move into the emerging Chinese pharmaceutical industry. In 2011, the Chinese government imposed new policies affecting price and volume controls of certain pharmaceutical products, including generic antibiotics, which reduced the division's profitability and positive cash flows. The dampening of Erye's operating results was the catalyst for our interest in monetizing our investment. Accordingly, on June 18, 2012, we entered into an Equity Purchase Agreement to sell the Erye Interest to Suzhou Erye Economy & Trading Co., Ltd. ("EET"), the 49% owner, and its affiliate. The divestiture of the Erye Interest closed on November 13, 2012, bolstering our cash position through the receipt of the cash purchase price of \$12,280,000 and eliminating over \$30 million in short and long-term debt obligations. The divestiture also returned 1,040,000 shares of the Company's Common Stock and canceled 1,170,000 Common Stock options and 640,000 Common Stock warrants.

As a result of the divestiture, we have exited our former Pharmaceutical Manufacturing - China segment. In consideration of ASC 205-20-45-1 and ASC 360-10-45-9, we have reported the financial position, results of operations and related cash flow for our Pharmaceutical Manufacturing - China segment as a discontinued operation in our Quarterly Reports on Form 10-Q for the quarters ended June 30, 2012 and September 30, 2012, which are incorporated by reference into this prospectus. In addition, our recast financial statements for the years ended December 31, 2010 and 2011, which reflect our

Pharmaceutical Manufacturing - China and Regenerative Medicine- China segments as discontinued operations, are incorporated by reference into this prospectus from our Current Report on Form 8-K filed with the Securities and Exchange Commission on August 15, 2012.

We continue as a public company focused on devoting all our time and resources to our cell therapy business, including the enrollment of patients in our PreSERVE Phase 2 clinical trial of AMR-001 for preserving heart function after a heart attack and expanding our cell therapeutic contract manufacturing business operated through our PCT subsidiary. We believe that focusing our attention and resources on cell therapy, a business that we believe is fundamentally changing the way medicine is administered, and becoming a leader in this field will be a much more rewarding direction for the Company.

We intend to continue our emergence as a technology and market leading company in the fast developing cell therapy market. Our multifaceted business strategy combines a state-of-the-art CDMO with a medically important cell therapy product development program enabling near and long-term revenue growth opportunities. Our service business and pipeline of proprietary cell therapy products work in concert, giving us a competitive advantage that is unique to the biotechnology and pharmaceutical industries. Supported by an experienced scientific and business management team and a strategic and growing patent pending (IP) portfolio, we believe we are well positioned to succeed.

RISK FACTORS

Investing in our securities involves risk. Please see the risk factors set forth under the heading “Risk Factors” beginning on page 38 of our Annual Report on Form 10-K for the year ended December 31, 2011, which document is on file with the Securities and Exchange Commission and is incorporated by reference into this prospectus. Before making an investment decision, you should carefully consider these risks as well as other information we include or incorporate by reference in this prospectus and any prospectus supplement. The risks and uncertainties we have described are not the only ones facing our Company. Additional risks and uncertainties not presently known to us or that we currently deem immaterial may also affect our business operations.

RISKS RELATED TO THIS OFFERING AND OUR SECURITIES

Even with the net cash proceeds of the Erye Sale, we anticipate that we will need substantial additional financing in the future to continue our operations. If we are unable to raise additional capital as needed, we may be forced to delay, reduce or eliminate one or more of our product development programs, cell therapy initiatives or commercialization efforts.

Even though the Erye Sale is now closed and as a result we will be investing the net proceeds thereof in our business, we anticipate that we will require additional capital to fund our current operating plan, including our existing U.S.-based cell therapy operations (such as clinical trials of AMR-001, development of our VSELTM technology and a T-cell therapeutic, our stem cell collection and storage business, and our cell manufacturing and processing operations).

Our research and development expenses have increased with the addition to our Company of our Amorceyte subsidiary, particularly as the AMR-001 Phase 2 clinical trial enrolls with respect to preservation of heart function after a heart attack. AMR-001 is in the development stage and will require significant investment before it can be commercialized. We anticipate that AMR-001 will not be commercially available for a number of years, if ever. Even if we raise additional capital in the event that Amorceyte's Phase 2 clinical trial of AMR-001 produces positive results, it is anticipated that it will be necessary to enter into one or more collaboration agreements with one or more third parties to conduct and fund additional clinical trials, including larger, potentially pivotal Phase 3 clinical trials. If we are not able to enter into collaboration agreements on terms that are acceptable to us, we will need to raise additional capital to fund these trials or otherwise delay or abandon the trials. In addition, subject to obtaining regulatory approval of any present or future Amorceyte product candidate, we expect to incur significant commercialization expenses for product sales and marketing.

Our future capital requirements will depend on many factors, including:

- the scope, progress and results of our cell therapy research and development programs including AMR-001, our T-Reg therapy for restoring immune balance and our VSELTM Technology;
- the scope, progress, results, costs, timing and outcomes of our Phase 2 clinical trial of AMR-001 for preserving heart function after a heart attack and other product candidates under development;

- the timing of entering into, and the terms of, any collaboration agreements with one or more third parties for one or more product candidates; the timing of and the costs involved in obtaining regulatory approvals for our product candidates, a process which could be particularly lengthy or complex given the FDA's limited experience with marketing approval for cell therapy products;
- the costs of operating, expanding and enhancing our manufacturing facilities, net of revenues, with respect to our contract development and manufacturing organization (CDMO) business to support our clinical activities and, if any product candidates are approved, commercialization activities;
- the costs of maintaining, expanding and protecting our intellectual property portfolio, including potential litigation costs and liabilities; and
- revenues received from sales of our product candidates, if approved by the FDA.

We would likely seek such funding through public or private financings or some combination of the two. To meet our short and long term liquidity needs, we may use a variety of other means that could include, but not be limited to, use of our equity line with Aspire Capital, as described below, potential additional warrant exercises, option exercises, issuances of other debt or equity securities in public or private financings, and/or sale of assets. We may also seek funding through collaborative arrangements if we determine them to be necessary or appropriate. Additional funding may not be available to us on acceptable terms, or at all. If we obtain capital through collaborative arrangements, these arrangements could require us to relinquish rights to the Company's technology or product candidates and could result in our receiving only a portion of the revenues associated with the partnered product. If we raise capital through the sale of equity, or securities convertible into equity, it would result in dilution to our then existing stockholders. In addition, servicing the interest and principal repayment obligations under debt facilities could divert funds that would otherwise be available to support research and development, clinical or commercialization activities.

Our cash requirements may vary materially from those now planned because of expenses relating to marketing, advertising, sales, distribution, research and development, including the costs of clinical trials, and regulatory affairs (including the expenses related to clinical trials), as well as the costs of maintaining, expanding and protecting our intellectual property portfolio, including potential litigation costs and liabilities, and generally costs related to innovative solutions for automation, development of commercial capabilities and expansion, including into Europe of our CDMO business. Additional financing may not be available when needed or may not be available on terms acceptable to us. Our inability to obtain necessary capital or financing to fund these needs could adversely affect our business, results of operations and financial condition.

With the Erye Sale now complete, our business is less diversified. Our U.S. cell therapy business has incurred substantial losses and negative cash flow from operations in the past, and expects to continue to incur losses and negative cash flow for the near term.

While a significant benefit of the Erye Sale is that it allows us to focus our attention and resources on our core cell therapy business, our cell therapy business has had a limited operating history, limited capital, and limited sources of revenue. Our net

loss from continuing operations for the nine months ended September 30, 2012 was approximately \$23.8 million, and we expect to incur additional operating losses and negative cash flow in the future. The revenues from our cell therapy business have not been, and are not expected in the short term to be, sufficient to cover costs attributable to that business. We expect to incur losses and negative cash flow for the foreseeable future as a result of development activities associated with our product candidate AMR-001 (including clinical trials), our VSEL™ Technology, a T-cell therapeutic and other research and development efforts to advance cell therapeutics. Now that the Erye Sale has been consummated, we will no longer have any prospects of future cash flows from Erye.

Beginning with our January 2011 acquisition of PCT, and continuing with our October 2011 acquisition of Amorcyte, we began to shift our business plan to focus on capturing the paradigm shift to cell therapies. However, because of the newness of the industry, we have limited experience in the areas of cell therapy development and marketing of cell therapy products, and in the related regulatory issues and processes. Cell therapy is still a developing field, with few cell therapy products approved for clinical use. If we are unable to develop our cell therapy business, our financial condition could be materially adversely affected.

The market price and trading volume of our Common Stock has been and may continue to be volatile and issuances of large amounts of shares of our Common Stock could cause the market price of our Common Stock to decline.

As of December 3, 2012, there were 160,778,557 shares of our Common Stock outstanding. From January 1 through November 29, 2012 our Common stock traded as low as \$0.30 and as high as \$0.90. In 2011, our Common Stock traded as low as \$0.43 and as high as \$2.10, and in 2010 traded as low as \$1.10 and as high as \$3.50. In addition to our low stock trading volume, some of the other factors which may contribute to our stock's price volatility include the issuance of a significant number of shares of our Common Stock or securities convertible into Common Stock in a short period of time, announcements of government regulation, new products or services introduced by us or by our competition, the status of our clinical trials, healthcare legislation, trends in health insurance, litigation, fluctuations in operating results, our success in commercializing our business, market conditions for cell therapy stocks or healthcare stocks in general as well as economic recession. We cannot be assured that the market price of our shares of Common Stock will not fluctuate or decline significantly in the future. Some of the factors that could negatively affect our share price or result in fluctuations in the price or trading volume of our shares of Common Stock include those set forth under "Risk Factors" and "Special Note Regarding Forward-Looking Statements" and in the information incorporated and deemed to be incorporated by reference herein.

Any adverse development relating to any of our product candidates, such as a significant clinical trial failure, could substantially depress our stock price and prevent us from raising additional capital.

Of particular note, our Company's development will be significantly dependent on our product candidates, and on the status and results of our clinical trials. Any clinical, regulatory or other development that significantly delays or prevents us from completing any of our trials, any material safety issue or adverse side effect to any study participant in any of these trials, or the failure of these trials to show the results expected would likely depress our stock price significantly and could prevent us from raising the substantial additional capital our Company will need to further develop our product candidates and technologies. Moreover, any material adverse occurrence in early-phase clinical trials could substantially impair our ability to initiate additional clinical trials to test our product candidates, whether for new indications or otherwise. This, in turn, could adversely impact our ability to raise additional capital and pursue our planned research and development efforts.

The nature of the business of our subsidiaries could subject the trading prices of our Common Stock to additional volatility.

The stock market in general and the market for biotechnology companies in particular have experienced extreme volatility that has often been unrelated to the operating performance of particular companies. While the market price of our Common Stock has been historically volatile, the clinical trials and additional development activities being undertaken through our subsidiaries, particularly our Phase 2 PreServe trial underway at Amorcyte may contribute to additional volatility of the market price of our Common Stock, as investors react to the results of these clinical trials of product candidates and those of our competitors. In addition to the foregoing, factors that could contribute to enhanced volatility of our stock price include:

- regulatory or legal developments in the United States and foreign countries;
- variations in our financial results or those of companies that are perceived to be similar to us;
- changes in the structure of healthcare payment systems;
- announcements by our Company of significant acquisitions, strategic partnerships, joint ventures or capital commitments;
- market conditions in the pharmaceutical and biotechnology sectors and issuance of securities analysts' reports or recommendations;
- sales of substantial amounts of our Common Stock by current stockholders;
- sales of our securities by insiders and large stockholders; additions or departures of key personnel;
- intellectual property, product liability or other litigation against us;
- expiration or termination of our potential relationships with collaborators; and
- the other factors described or incorporated by reference into this "Risk Factors" section.

In addition, stockholders sometimes initiate class action lawsuits against biotechnology and pharmaceutical companies following periods of volatility in the market prices of these companies' stock. Such litigation, to the extent instituted against our Company, could cause us to incur substantial costs and divert management's attention and resources.

Management will have broad discretion as to the use of the proceeds from our recent capital raises and from the Erye Sale, and we may not use the proceeds effectively.

Our management will have broad discretion in the application of the net proceeds from our recent capital raises and from the Erye Sale, and could spend the proceeds in ways that do not improve our results of operations or enhance the value of our

Common Stock. Our failure to apply these funds effectively could have a material adverse effect on our business, delay the development of our product candidates and cause the price of our Common Stock to decline.

Holders of our Common Stock will experience dilution if we issue additional equity securities in future fundraising transactions and if shares of our Common Stock underlying our significant number of outstanding warrants are purchased by the holders thereof.

If in the future we issue additional Common Stock, or securities convertible into or exchangeable or exercisable for Common Stock, our stockholders, including investors who purchase shares of our common stock offered by the Selling Stockholders under this prospectus, will experience additional dilution, and any such issuances may result in downward pressure on the price of our Common Stock.

In addition, we have a significant number of outstanding securities allowing the purchase of our Common Stock. Investors will be subject to increased dilution upon the exercise of outstanding stock options and warrants. There were 160,778,557 shares of our Common Stock outstanding as of December 3, 2012. As of that date, stock options and warrants outstanding represented an additional 76,209,620 shares of our Common Stock that could be issued in the future. Most of the outstanding shares of our Common Stock, as well as the vast majority of the shares of our Common Stock that may be issued under our outstanding options and warrants, are not restricted from trading or have the contractual right to be registered. Also, the issuance of additional shares as a result of the exercise of options and warrants, or their subsequent sale, could adversely affect the price of our Common Stock.

Any significant increase in the number of shares offered for sale could cause the supply of our Common Stock available for purchase in the market to exceed the purchase demand for our Common Stock. Such supply in excess of demand could cause the market price of our Common Stock to decline.

Sales of our Common Stock to Aspire Capital pursuant to our Purchase Agreement may cause substantial dilution to our existing stockholders and the sale of the shares of Common Stock acquired by Aspire Capital could cause the price of our Common Stock to decline.

The Company entered into a Purchase Agreement with Aspire Capital Fund, LLC in September 2011, as amended on August 23, 2012, pursuant to which Aspire Capital committed to the purchase of up to \$20 million of shares of the Company's Common Stock over the term of that Agreement, subject to certain terms and conditions, including a floor price as set forth in the Agreement.

From October 22, 2012 through December 3, 2012, Aspire has purchased 3,600,000 shares of the Company's common stock for an aggregate consideration of approximately \$2.3 million. After Aspire Capital acquires shares under the Purchase Agreement, it may sell all, some or none of those shares. Sales to Aspire Capital by us pursuant to the Purchase Agreement may result in substantial dilution to the interests of other holders of our Common Stock. The sale of a substantial number of shares of our Common Stock to Aspire Capital, or anticipation of such sales, could make it more difficult for us to sell equity or equity-related securities in the future at a time and at a price that we might otherwise wish to effect sales. However, we have the

right to control the timing and amount of any sales of our shares to Aspire Capital and the Purchase Agreement may be terminated by us at any time at our discretion without any cost to us.

Future sales of a significant number of our shares of Common Stock in the public markets, or the perception that such sales could occur, could depress the market price of our shares of Common Stock.

Sales of a substantial number of our shares of Common Stock in the public markets, or the perception that such sales could occur, could depress the market price of our shares of Common Stock and impair our ability to raise capital through the sale of additional equity securities. We cannot predict if and when the Selling Stockholders named herein may sell the shares of Common Stock offered by such Selling Stockholders in the public markets. In addition, a substantial number of shares of Common Stock are being offered by the selling stockholders named in our effective Registration Statements on Form S-3 (File Nos. 333-173853 and 333-183542) and we cannot predict if and when those selling stockholders may sell such shares of Common Stock in the public markets. As of January 20, 2012, one-half of the base stock consideration issued in connection with the PCT Merger had been released from escrow and these shares are now freely tradable (an aggregate of 5,300,000 shares of our Common Stock), with the remaining one-half of the base stock consideration scheduled to be released from escrow on January 20, 2013. We cannot predict if and when following this escrow release the recipients of the PCT Merger consideration may sell such shares of Common Stock in the public markets. Additionally, a substantial number of shares of Common Stock may come into the public markets as a result of the Amorcyte Merger: (i) at the closing, 5,843,483 shares of Common Stock were placed in escrow as the “Base Stock Consideration”, for eventual distribution to the former stockholders of Amorcyte (with the first release from escrow, consisting of 20% of the Base Stock Consideration, effected in April 2012, and an additional 69.7% of the Base Stock Consideration released from escrow in October 2012, all of which shares are now freely tradable), and (ii) up to 4,092,768 shares of our Common Stock may become issuable to the former Amorcyte stockholders as “Contingent Shares” if certain business milestones are achieved. We cannot predict if and when (following, as applicable, release of the Base Stock Consideration from escrow, or issuance of Contingent Shares if the relevant milestones are achieved) the recipients of the Amorcyte Merger consideration may sell such shares of Common Stock in the public markets. We cannot predict the number of the above-described shares that might be sold nor the effect that future sales of our shares of Common Stock would have on the market price of our shares of Common Stock.

Our outstanding options and warrants may negatively affect our ability to raise additional capital.

On December 3, 2012, we had approximately 76,209,620 stock options and warrants outstanding. Holders of our outstanding options and warrants are given the opportunity to profit from a rise in the market price of our Common Stock. As long as these options and warrants are outstanding, the terms on which we could obtain additional capital may be adversely affected. The holders of these options and warrants might be expected to exercise them at a time when we would, in all likelihood, be able to obtain any needed capital by a new offering of securities on terms more favorable than those provided by these options and warrants.

Failure to maintain effective internal control over financial reporting in accordance with Section 404 of the Sarbanes-Oxley Act could have a material adverse effect on our business and stock price.

As private companies, PCT and Amorcyte were not subject to the requirements of Section 404 of the Sarbanes-Oxley Act. Now that the PCT Merger and the Amorcyte Merger have been consummated, we expect to continue to devote management time and other resources to ensure that the combined company complies with the requirements of Section 404. During the course of testing our disclosure controls and procedures and internal control over financial reporting, we may identify and disclose material weaknesses or significant deficiencies in internal control over financial reporting (which may or may not be related to PCT or Amorcyte) that will have to be remedied. Implementing any appropriate changes to our internal control may require specific compliance training of our directors, officers and employees, entail substantial costs in order to modify our existing accounting systems, and take a significant period of time to complete. Such changes may not, however, be effective in maintaining the adequacy of our internal control over financial reporting, and any failure to maintain that adequacy or inability to produce accurate financial statements on a timely basis could result in our financial statements being unreliable, increase our operating costs and materially impair our ability to operate our business.

Failure to achieve and maintain effective internal control over financial reporting could result in a loss of investor confidence in our financial reports and could have a material adverse effect on our stock price. Additionally, failure to maintain effective internal control over our financial reporting could result in government investigation or sanctions by regulatory authorities.

Actual and beneficial ownership of large quantities of our Common Stock by our executive officers and directors may substantially reduce the influence of other stockholders.

As of December 3, 2012, our executive officers and directors collectively owned 30,366,801 shares of our Common Stock, representing approximately 18.9% of our outstanding Common Stock. As of such date, our executive officers and directors collectively beneficially owned 46,091,837 shares of our Common Stock. These beneficial holdings represent approximately 26.1% of our Common Stock. As a result, such persons may have the ability to exercise enhanced control over the approval process for actions that require stockholder approval, including: the election of our directors and the approval of mergers, sales of assets or other significant corporate transactions or other matters submitted for stockholder approval. Because of the beneficial ownership position of these persons, other stockholders may have less influence over matters submitted for stockholder approval. Furthermore, at certain times the interests of our substantial stockholders may conflict with the interests of our other stockholders.

USE OF PROCEEDS

The proceeds from the resale of the shares of our Common Stock under this prospectus are solely for the account of the Selling Stockholders. We will not receive any proceeds from the sale of our Common Stock covered hereby by the Selling Stockholders. Some of the shares of Common Stock to be sold in this offering have not yet been issued and will only be issued upon the exercise of outstanding warrants. We will receive estimated gross proceeds of approximately \$468,750 if all such warrants are exercised. We intend to use any proceed received from the exercise of the warrants for working capital and general corporate purposes. We will incur all costs associated with this registration statement and prospectus, which we anticipate to be approximately \$50,000.

Selling Stockholders

We have filed with the Securities and Exchange Commission a registration statement on Form S-3, of which this prospectus is a part, to register for resale (i) an aggregate of 1,666,666 shares of outstanding Common Stock, and (ii) 625,000 shares of Common Stock issuable upon the exercise of outstanding warrants, for an aggregate of 2,291,666 shares of our Common Stock, all of which have not previously been registered. All of the shares are owned (or will be following exercise of warrants) by the Selling Stockholders. The shares of Common Stock registered for resale hereby consist of the following: (i) 833,333 shares of common stock purchased at a price of \$0.60 per share in a private placement that closed on November 8, 2012; and (ii) 833,333 shares of common stock and 625,000 shares of Common Stock underlying warrants (sold in Units purchased at \$60 per unit, each unit consisting of 100 shares of Common Stock and five-year warrants to purchase 75 shares of Common Stock at an exercise price of \$.75 per share), in a private placement that closed on December 6, 2012.

Stock Ownership

The table below sets forth certain information regarding the Selling Stockholders, including the number of shares of Common Stock (i) owned beneficially by each Selling Stockholder prior to the offering, (ii) offered by each Selling Stockholder pursuant to this prospectus (broken down into (i) outstanding shares of Common Stock being offered hereby and (ii) shares of Common Stock underlying warrants being offered hereby), (iii) to be owned beneficially by each Selling Stockholder after completion of the offering and the percentage of our Common Stock to be owned by each Selling Stockholder after completion of the offering, assuming that all of the warrants held by the Selling Stockholders are exercised, and all of the shares offered in this prospectus are sold and that none of the other shares held by the Selling Stockholders, if any, are sold. The table is based on information available to us as of December 3, 2012, with beneficial ownership determined in accordance with the rules and regulations of the SEC.

Because the Selling Stockholders may offer all or some portion of the above-referenced securities under this prospectus or otherwise, no estimate can be given as to the amount or percentage that will be held by the Selling Stockholders upon termination of any sale. Certain beneficial ownership information included in the table may require updating based on recent activity. In addition, the Selling Stockholders identified below may have sold, transferred or otherwise disposed of all or a portion of such securities since the date on which information in this table is provided, in transactions exempt from the registration requirements of the Securities Act. Information about the Selling Stockholders may change from time to time. Any changed information will be set forth in prospectus supplements, if required.

Except as otherwise noted, the Selling Stockholders have not had any material relationship with us during the past three years.

In connection with the registration of the shares of our Common Stock offered in this prospectus, we will supply prospectuses to the Selling Stockholders.

(1) The percentage of stock outstanding for each Selling Stockholder after the offering is calculated by dividing (i) (A) the number of shares of Common Stock deemed to be beneficially held by such Selling Stockholders as of December 3, 2012, not including any shares being offered in this offering by such Selling Stockholder by (i) the sum of (A) the number of shares of Common Stock outstanding as of December 3, 2012, plus (B) the number of shares of Common Stock issuable upon the exercise of warrants held by the Selling Stockholders which were exercisable as of December 3, 2012, or which will be exercisable within 60 days after December 3, 2012, if any.

PLAN OF DISTRIBUTION

We are registering for resale by the Selling Stockholders a total of 2,291,666 shares of Common Stock, of which 625,000 shares are issuable upon the exercise of outstanding warrants.

Timing of Sales

The Selling Stockholders and any of their respective donees, transferees, pledgees, assignees and other successors-in-interest may offer and sell the shares covered by this prospectus at various times. The Selling Stockholders will act independently of us in making decisions with respect to the timing, manner and size of each sale.

Offering Price

The Selling Stockholders may sell all or a portion of the shares of our Common Stock beneficially owned by them and offered hereby from time to time directly or through one or more underwriters, broker-dealers or agents. If the shares of Common Stock are sold through underwriters or broker-dealers, the Selling Stockholders will be responsible for underwriting discounts or commissions or agent's commissions. The shares of Common Stock may be sold on the NYSE MKT, any national securities exchange or quotation service on which the securities may be listed or quoted at the time of sale, or in transactions otherwise than on these exchanges or systems and in one or more transactions at fixed prices, at prevailing market prices at the time of the sale, at varying prices determined at the time of sale, or at negotiated prices. These sales may be effected in transactions, which may involve crosses or block transactions.

Manner of Sale

The shares may be sold by means of one or more of the following methods:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- broker-dealers may agree with the Selling Stockholders to sell a specified number of such shares at a stipulated price per share;
- a combination of any such methods of sale; and
- any other method permitted pursuant to applicable law.

The Selling Stockholders may sell their shares directly to purchasers or may use brokers, dealers, underwriters or agents to sell their shares. Brokers or dealers engaged by any Selling Stockholder may arrange for other brokers or dealers to participate. Brokers or dealers may receive commissions, discounts or concessions from the Selling Stockholders, or, if any such broker-dealer acts as agent for the purchaser of shares, from the purchaser in amounts to be negotiated immediately prior to the sale. The compensation received by brokers or dealers may, but is not expected to, exceed that which is customary for the types of transactions involved. Broker-dealers may agree with the Selling Stockholders to sell a specified number of shares at a stipulated price per share, and, to the extent the broker-dealer is unable to do so acting as agent for the Selling Stockholders, to purchase as principal any unsold shares at the price required to fulfill the broker-dealer commitment to the Selling Stockholders. Broker-dealers who acquire shares as principal may thereafter resell the shares from time to time in transactions, which may involve block transactions and sales to and through other broker-dealers, including transactions of the nature described above, in the over-the-counter market or otherwise at prices and on terms then prevailing at the time of sale, at prices then related to the then-current market price or in negotiated transactions.

If the Selling Stockholders enter into arrangements with brokers or dealers, as described above, we are obligated to file a post-effective amendment to the registration statement of which this prospectus forms a part, disclosing such arrangements, including the names of any broker dealers acting as underwriters.

The Selling Stockholders and any broker-dealers or agents that participate with the Selling Stockholders in the sale of the shares may be deemed to be "underwriters" within the meaning of the Securities Act. In that event, any commissions received by broker-dealers or agents and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act.

The Selling Stockholders also may transfer the shares of Common Stock in other circumstances, in which case the transferees, pledgees or other successors-in-interest will be the selling beneficial owners for purposes of this prospectus.

Sales Pursuant to Rule 144

Any shares of Common Stock covered by this prospectus that qualify for sale pursuant to Rule 144 under the Securities Act, may be sold under Rule 144 rather than pursuant to this prospectus.

Regulation M

We have advised the Selling Stockholders that the anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of shares in the market and to the activities of the Selling Stockholders and their affiliates. Regulation M under the Exchange Act prohibits, with certain exceptions, participants in a distribution from bidding for, or purchasing for an account in which the participant has a beneficial interest, any of the securities that are the subject of the distribution. Accordingly, the Selling Stockholders are not permitted to cover short sales by purchasing shares while the distribution is taking place. Regulation M also governs bids and purchases made in order to stabilize the price of a security in connection with a distribution of the security. In addition, we will make copies of this prospectus available to the Selling Stockholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act.

State Securities Laws

Under the securities laws of some states, the shares may be sold in such states only through registered or licensed brokers or dealers. In addition, in some states the shares may not be sold unless the shares have been registered or qualified for sale in the state or an exemption from registration or qualification is available and is complied with.

Expenses of Registration

We will bear all of the costs, expenses and fees in connection with the registration of the shares of Common Stock, other than any commissions, discounts or other fees payable to broker-dealers in connection with any sale of shares, which will be borne by the Selling Stockholder selling such shares of Common Stock along with the fees and expenses of its counsel.

LEGAL MATTERS

The validity of the shares of Common Stock offered by this prospectus will be passed upon for us by Lowenstein Sandler PC, Roseland, New Jersey.

Item 15. Indemnification of Directors and Officers.

We are incorporated under the laws of the State of Delaware. Under the General Corporation Law of the State of Delaware (the "DGCL"), a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), by reason of the fact that he or she is or was our director, officer, employee or agent, or is or was serving at our request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to our best interests, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

In addition, the DGCL also provides that we also may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in our right to procure a judgment in our favor by reason of the fact that he or she is or was our director, officer, employee or agent, or is or was serving at our request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection with the defense or settlement of such action or suit if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to our best interests. However, in such an action by or on our behalf, no indemnification may be made in respect of any claim, issue or matter as to which the person is adjudged liable to us unless and only to the extent that the court determines that, despite the adjudication of liability but in view of all the circumstances, the person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

Our certificate of incorporation is consistent with the DGCL. Each of our directors, officers, employees and agents will be indemnified to the extent permitted by the DGCL. We also maintain insurance on behalf of our directors and officers against liabilities asserted against such persons and incurred by such persons in such capacities, whether or not we would have the power to indemnify such persons under the DGCL.

We have entered into indemnification agreements with our Chief Executive Officer, Chief Financial Officer, General Counsel, certain other employees and each of our directors pursuant to which we have agreed to indemnify such party to the full extent permitted by law, subject to certain exceptions, if such party becomes subject to an action because such party is a our director, officer, employee, agent or fiduciary.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (i), (ii) and (iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) If the registrant is relying on Rule 430B,

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

(ii) If the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness; provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first

use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(6) To deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Securities Exchange Act of 1934; and, where interim financial information required to be presented by Article 3 of Regulation S-X are not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.

(7) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, as amended, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of New York, State of New York, on December 7, 2012.

SUBSCRIPTION AGREEMENT

NeoStem, Inc.
420 Lexington Avenue
Suite 350
New York, New York 10170
Attention: Chief Executive Officer

Ladies and Gentlemen:

The undersigned investor (the “Investor”) under the following terms and conditions, offers to subscribe (the “Offer”) for the securities of NeoStem, Inc., a Delaware corporation (the “Company” or “NeoStem”). The Company is offering (the “Offering”) shares (the “Common Shares”) of common stock, \$.001 par value (the “Common Stock”) at a per share purchase price equal to \$0.60.

The Investor understands that the Common Shares are being issued pursuant to one or more exemptions from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act” or the “Act”), in a private placement pursuant to an exemption from registration under Regulation D promulgated under Section 4(2) and Rule 506 of the Act and/or an exemption from registration under Regulation S promulgated under the Securities Act. As such, the Common Stock, are “restricted securities” and may not be sold or transferred absent a registration statement declared effective under the Act or an exemption from the registration requirements of the Act.

1. Subscription.

The closing (the “Closing”) of the transactions hereunder shall take place at the offices of the Company or at such other location as the Company may determine after the receipt by the Company of subscriptions for Common Shares from Investors from time to time and after it has been determined that all conditions in this Agreement have been met. At each Closing, funds equal to the Subscription Amount of each Investor shall be delivered to the Company and the Company shall promptly thereafter deliver to each such Investor his, her or its respective Common Shares as provided herein. The Company may close on any number of Common Shares it may choose in its sole determination.

Subject to the terms and conditions hereinafter set forth in this Subscription Agreement, the Investor hereby offers to subscribe for Common Shares as set forth in the Investor Signature Page attached hereto and contemporaneously herewith makes payment for the purchase of the Common Shares by wire transfer or bank check.

2. Conditions.

The Offer is made subject to the following conditions: (i) that the Company, acting in good faith, shall have the right to accept or reject this Offer, in whole or in part, for any reason; (ii) that the Investor agrees to comply with the terms of this Subscription Agreement; and (iii) the Common Shares are accepted for listing on the NYSE MKT.

Acceptance of this Offer shall be deemed given by the countersigning of this Subscription Agreement by the Company. In the event the Company does not accept the Offer, any and all proceeds for the purchase of the Common Shares by the Investor shall be returned to Investor.

3. Representations and Warranties of the Investor.

The Investor, in order to induce the Company to accept this Offer, hereby warrants and represents as follows:

PLEASE CHECK ONE OR BOTH OF THE TWO BOXES BELOW AS APPROPRIATE:

Investor is purchasing under Regulation D

OR

Investor is purchasing under Regulation S

(a) Organization; Authority. The Investor, if not an individual, is an entity duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization with the requisite power and authority to enter into and to consummate the transactions contemplated by this Subscription Agreement and otherwise to carry out its obligations hereunder. The purchase by Investor of the Common Shares hereunder has been duly authorized by all necessary action on the part of Investor. This Subscription Agreement has been duly executed by Investor, and when delivered by Investor in accordance with the terms hereof, will constitute the valid and legally binding obligation of Investor, enforceable against it in accordance with its terms, except (i) as limited by general equitable principles and applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, and (ii) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies.

(b) Investor Representation for Purchase under Regulation D.

(i) Restricted Securities. Investor understands that the Common Shares are “restricted securities” and have not been registered under the Securities Act or qualified under any applicable state securities law by reason of their issuance in a transaction that does not require registration or qualification (based in part on the accuracy of the representations and warranties of the Investor contained herein), and that such securities must be held indefinitely unless a subsequent disposition is registered under the Securities Act or any applicable state securities laws or is exempt from such registration. The Investor hereby agrees that the Company may insert the following or similar legend on the face of the certificates evidencing the Common Shares, if required in compliance with federal and state securities laws:

“THESE SECURITIES HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”) NOR UNDER THE SECURITIES LAWS OF ANY STATE. THEY MAY NOT BE SOLD, OFFERED FOR SALE, OR HYPOTHECATED IN THE ABSENCE OF A REGISTRATION STATEMENT IN EFFECT WITH RESPECT TO THE SECURITIES UNDER SUCH ACT OR AN OPINION OF COUNSEL REASONABLY SATISFACTORY TO THE COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED PURSUANT TO A VALID EXEMPTION THEREFROM UNDER THE SECURITIES ACT.”

The Investor understands and acknowledges that the U.S. Securities and Exchange Commission (the “*Commission*”) currently takes the position that coverage of short sales of shares of the Common Stock “against the box” prior to the effective date of a registration statement registering the re-sale of the Common Shares is a violation of Section 5 of the Securities Act, as set forth in Item 65, Section 5 under Section A, of the Manual of Publicly Available Telephone Interpretations, dated July 1997, compiled by the Office of Chief Counsel, Division of Corporation Finance. Accordingly, the Investor agrees not to use any of the Common Shares to cover any short sales made prior to the effective date of such registration statement.

(ii) No Distribution. Investor is acquiring the Common Shares as principal for its own account, in the ordinary course of its business, and not with a view to or for distributing or reselling such Common Shares or any part thereof. Investor has no present intention of distributing any of such Common Shares and has no agreement or understanding, directly or indirectly, with any other individual, corporation, partnership, trust, incorporated or unincorporated association, joint venture, limited liability company, joint stock company, government (or an agency or subdivision thereof), or other entity of any kind (each, a “*Person*”) regarding the distribution of such Common Shares (this representation and warranty not limiting such Investor’s right or intent to sell the Common Share pursuant to a Registration Statement or otherwise in compliance with applicable federal and state securities laws).

(iii) Investor Status. Investor is an “Accredited Investor” as defined in Rule 501(a)(1), (a)(2), (a)(3), (a)(7), or (a)(8) under the Securities Act. In general, an Accredited Investor is deemed to be an institution with assets in excess of \$5,000,000 or individuals with net worth in excess of \$1,000,000 (excluding the value of the Investor’s home) or annual income exceeding \$200,000, or \$300,000 jointly with their spouse and is defined on Schedule A hereto.

(iv) Experience of Investor. Investor, either alone or together with its representatives, has such knowledge, sophistication, and experience in business and financial matters so as to be capable of evaluating the merits and risks of the prospective investment in the Common Shares, and has so evaluated the merits and risks of such investment. The Investor has not authorized any Person to act as his Purchaser Representative (as that term is defined in Regulation D of

the General Rules and Regulations under the Act) in connection with this transaction. Investor is able to bear the economic risk of an investment in the Common Shares and, at the present time, is able to afford a complete loss of such investment.

(v) General Solicitation. Investor is not purchasing the Common Shares as a result of any advertisement, article, notice or other communication regarding the Common Shares published in any newspaper, magazine, or similar media or broadcast over television or radio or presented at any seminar or any other general solicitation or general advertisement.

(c) Investor Representations for Purchase under Regulation S.

(i) Restricted Securities. Investor understands that the Common Shares are “restricted securities” and have not been registered under the Securities Act or qualified under any applicable state securities law by reason of their issuance in a transaction that does not require registration or qualification (based in part on the accuracy of the representations and warranties of the Investor contained herein), and that such securities must be held indefinitely unless a subsequent disposition is registered under the Securities Act or any applicable state securities laws or is exempt from such registration. The Investor hereby agrees that the Company may insert the following or similar legend on the face of the certificates evidencing the Common Shares, if required in compliance with federal and state securities laws:

"THESE SECURITIES HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "ACT"), AND MAY NOT BE SOLD, TRANSFERRED OR OTHERWISE DISTRIBUTED, DIRECTLY OR INDIRECTLY, IN THE UNITED STATES, ITS TERRITORIES, POSSESSIONS, OR AREAS SUBJECT TO ITS JURISDICTION, OR TO OR FOR THE ACCOUNT OR BENEFIT OF A "U.S. PERSON" AS THAT TERM IS DEFINED IN RULE 902 OR REGULATION S OF THE ACT, AT ANY TIME PRIOR TO ONE (1) YEAR AFTER THE ISSUANCE OF THIS CERTIFICATE, IN THE ABSENCE OF (i) AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER THE ACT, OR (ii) AN OPINION OF COUNSEL REASONABLY SATISFACTORY TO THE COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED PURSUANT TO A VALID EXEMPTION THEREFROM UNDER THE ACT. HEDGING TRANSACTIONS INVOLVING THE SHARES REPRESENTED HEREBY MAY NOT BE CONDUCTED UNLESS IN COMPLIANCE WITH THE ACT. ANY SALES, TRANSFERS OR OTHER DISTRIBUTIONS OF THE SECURITIES MUST BE MADE IN ACCORDANCE WITH THE PROVISIONS OF REGULATION S OF THE ACT. THIS CERTIFICATE MUST BE SURRENDERED TO THE COMPANY OR ITS TRANSFER AGENT AS A CONDITION PRECEDENT TO THE SALE, TRANSFER OR OTHER DISTRIBUTION OF ANY INTEREST IN ANY OF THE SECURITIES REPRESENTED BY THIS CERTIFICATE."

The Investor understands and acknowledges that the U.S. Securities and Exchange Commission (the “*Commission*”) currently takes the position that coverage of short sales of shares of the Common Shares “against the box” prior to the effective date of a registration statement registering the re-sale of the Common Shares is a violation of Section 5 of the Securities Act, as set forth in Item 65, Section 5 under Section A, of the Manual of Publicly Available Telephone Interpretations, dated July 1997, compiled by the Office of Chief Counsel, Division of Corporation Finance. Accordingly, without limiting the restrictions set forth herein, Investor agrees not to use any of the Common Shares to cover any short sales made prior to the effective date of such registration statement.

(ii) (a) Non-U.S. Person. The Investor is a Non-U.S. Person (as defined herein). As used herein, the term “United States” means and includes the United States of America, its territories and possessions, any State of the United States, and the District of Columbia, and the term “Non-U.S. Person” means any person who is not a U.S. Person, within the meaning of Regulation S, the definition of which is set forth on Schedule B attached hereto, or is deemed not to be a U.S. Person pursuant to Rule 902(k)(2) of Regulation S, as set forth on Schedule C attached hereto.

(b) The Investor has been advised and acknowledges that:

- (1) the Common Shares have not been, and when issued, will not be registered pursuant to the Securities Act, the securities laws of any state of the United States or the securities laws of any other country;
- (2) in issuing and selling the Common Shares to the Investor pursuant hereto, the Company is relying upon the “safe harbor” provided by Regulation S;

- (3) it is a condition to the availability of the Regulation S “safe harbor” that the Common Shares not be offered or sold in the United States or to a U.S. Person until the expiration of a period of one year following the Closing (the “*Restricted Period*”); and
 - (4) notwithstanding the foregoing, prior to the expiration of the Restricted Period the Common Shares may be offered or sold by the holder thereof if such offer and sale is made in compliance with the terms of this Agreement and either: (A) if the offer or sale is within the United States or to or for the account of a U.S. Person (as such terms are defined in Regulation S), the sale is made pursuant to an effective registration statement or pursuant to an exemption from the registration requirements of the Securities Act; or (B) the offer and sale is outside the United States and to other than a U.S. Person.
- (iii) The Investor agrees that with respect to the Common Shares until the expiration of the Restricted Period:
- (1) the Investor, its agents or its representatives have not and will not solicit offers to buy, offer for sale or sell any of the Common Shares, or any beneficial interest therein in the United States or to or for the account of a U.S. Person during the Restricted Period; and
 - (2) notwithstanding the foregoing, prior to the expiration of the Restricted Period the Common Shares shall not be offered or sold by the holder thereof unless such offer and sale is made in compliance with the terms of this Agreement and either: (A) if the offer or sale is within the United States or to or for the account of a U.S. Person (as such terms are defined in Regulation S), the sale is made pursuant to an effective registration statement or pursuant to an exemption from the registration requirements of the Securities Act; or (B) the offer and sale is outside the United States and to other than a U.S. Person; and
 - (3) the Investor will not engage in hedging transactions with regard to the Common Shares unless in compliance with the Securities Act.

The foregoing restrictions are binding upon subsequent transferees of the Common Shares, except for transferees pursuant to an effective registration statement. The Investor agrees that after the Restricted Period, the Common shares may be offered or sold within the United States or to or for the account of a U.S. Person only pursuant to applicable securities laws, including, without limitation, Regulation S.

(iv) The Investor is not purchasing the Common shares as a result of any advertisement, article, notice or other communication regarding the Common Shares published in any newspaper, magazine or similar media or broadcast over television or radio or presented at any seminar or other general solicitation or advertisement. The Investor has not engaged, nor is it aware that any party has engaged, and the Investor will not engage or cause any third party to engage, in any “directed selling efforts,” as such term is defined in Regulation S, in the United States with respect to the Common Shares.

(v) The Investor: (1) is domiciled and has its principal place of business outside the United States; (2) certifies it is not a U.S. Person and is not acquiring the Common Shares for the account or benefit of any U.S. Person; and (3) at the time of the Closing, the Investor or persons acting on the Investor's behalf in connection therewith will be located outside the United States.

(vi) At the time of offering to the Investor and communication of the Investor's order to purchase the Common Shares and at the time of the Investor's execution of this Agreement, the Investor or persons acting on the Investor's behalf in connection therewith were located outside the United States.

(vii) The Investor is not a “distributor” (as defined in Regulation S) or a “dealer” (as defined in the Securities Act).

(viii) The Investor acknowledges that the Company shall make a notation in its stock books regarding the restrictions on transfer set forth in this Agreement and shall transfer such shares on the books of the Company only to the extent consistent therewith. In particular, the Investor acknowledges that the Company shall refuse to register any transfer of the Common Shares not made in accordance with the provisions of Regulation S, pursuant to registration pursuant to the Securities Act or pursuant to an available exemption from registration.

(ix) The Investor hereby represents that the Investor is satisfied as to the full observance of the laws of the Investor's jurisdiction in connection with any invitation to subscribe for the Common Shares or any use of the Agreement, including (i) the legal requirements within such Investor's jurisdiction for the purchase of the Common Shares, (ii) any foreign exchange restrictions applicable to such purchase, (iii) any governmental or other consents that may need to be obtained and (iv) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, redemption, sale or transfer of the Common Shares. The Investor's subscription and payment for, and the Investor's continued beneficial ownership of, the Common Shares will not violate any applicable securities or other laws of the Investor's jurisdiction.

(x) The Investor is a resident of a country (an “*International Jurisdiction*”) other than Canada or the United States and the decision to subscribe for the Common Shares was taken in such International Jurisdiction.

(xi) The delivery of this Subscription Agreement, the acceptance of it by the Company and the issuance of the Common Shares to the Investor complies with all laws applicable to the Investor, including the laws of the Investor's jurisdiction of formation, and all other applicable laws, and will not cause the Company to become subject to, or require it to comply with, any disclosure, prospectus, filing or reporting requirements under any applicable laws of the International Jurisdiction.

(xii) The Investor is knowledgeable of, or has been independently advised as to, the application or jurisdiction of the securities laws of the International Jurisdiction which would apply to the subscription (other than the securities laws of Canada and the United States).

(xiii) The Investor is purchasing the Common Shares pursuant to exemptions from the prospectus and registration requirements (or their equivalent) under the applicable securities laws of that International Jurisdiction or, if such is not applicable, each is permitted to purchase the Common Shares under the applicable securities laws of the International Jurisdiction without the need to rely on an exemption.

(xiv) The applicable securities laws do not require the Company to register any of the Common Shares, file a prospectus or similar document, or make any filings or disclosures or seek any approvals of any kind whatsoever from any regulatory authority of any kind whatsoever in the International Jurisdiction.

(xv) The Investor will not sell, transfer or dispose of the Common Shares except in accordance with all applicable laws, including, without limitation, applicable securities laws of each of International Jurisdiction, Canada and the United States, and the Investor acknowledges that the Company shall have no obligation to register any such purported sale, transfer or disposition which violates applicable, International Jurisdiction, Canadian or United States or other securities laws.

(xvi) Investor Status. Investor is an “Accredited Investor” as defined in Rule 501(a)(1), (a)(2), (a)(3), (a)(7), or (a)(8) under the Securities Act. In general, an Accredited Investor is deemed to be an institution with assets in excess of \$5,000,000 or individuals with net worth in excess of \$1,000,000 (excluding the value of an Investor's home) or annual income exceeding \$200,000, or \$300,000 jointly with their spouse and is defined on Schedule A hereto.

(xvii) Experience of Investor. The Investor, either alone or together with its representatives, has such knowledge, sophistication, and experience in business and financial matters so as to be capable of evaluating the merits and risks of the prospective investment in the Common Shares, and has so evaluated the merits and risks of such investment. The Investor is able to bear the economic risk of an investment in the Common Shares and, at the present time, is able to afford a complete loss of such investment.

(d) Access to Information. The Investor has reviewed the SEC Reports (as that term is defined in Section 4(g)). The Investor has also been afforded the opportunity to ask questions of, and receive answers from, the officers and/or directors of the Company concerning the terms and conditions of the Offering and to obtain any additional information, to the extent that the Company possesses such information, which Investor considers necessary and appropriate in order to permit Investor to evaluate the merits and risks of an investment in the Common Shares. It is understood that all documents, records, and books pertaining to this investment have been made available for inspection by the Investor during reasonable business hours at the Company's principal place of business. Notwithstanding the foregoing, it is understood that the Investor is purchasing the Common Shares without being furnished any prospectus setting forth all of the information that would be required to be furnished under the Securities Act and this Offering has not been passed upon or the merits thereof endorsed or approved by any state or federal authorities.

4. Representations and Warranties of the Company.

The Company hereby makes the following representations and warranties to the Investor:

(a) Organization and Qualification. The Company is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Delaware, with the requisite power and authority to own and use its properties and assets and to carry on its business as currently conducted. The Company is not in violation or default of any of the provisions of its respective certificate or articles of incorporation, bylaws or other organizational or charter documents. The Company is duly qualified to conduct business and is in good standing as a foreign corporation in each jurisdiction in which the nature of the business conducted or property owned by it makes such qualification necessary, except where the failure to be so qualified or in good standing, as the case may be, would not have or reasonably be expected to result in (i) a material adverse effect on the legality, validity or enforceability of this Subscription Agreement, (ii) a material adverse effect on the results of operations, assets, business, prospects or financial condition of the Company, taken as a whole, or (iii) a material adverse effect on the Company's ability to perform in any material respect on a timely basis its obligations under this Subscription Agreement (any of (i), (ii), or (iii), a "*Material Adverse Effect*").

(b) Authorization; Enforcement. The Company has the requisite corporate power and authority to enter into and to consummate the Offering, to issue the shares of Common Stock deliverable thereunder. The execution and delivery of this Subscription Agreement and the Common Shares by the Company and the consummation by it of the transactions contemplated hereby have been duly authorized by all necessary action on the part of the Company and no further consent or action is required by the Company, other than the Required Approvals (as defined below). This Subscription Agreement, when executed and delivered in accordance with the terms hereof, will constitute the valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except (i) as limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other laws of general application affecting enforcement of creditors' rights generally and (ii) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies.

(c) No Conflicts. The execution, delivery, and performance of this Subscription Agreement by the Company and the consummation by the Company of the Offering and issuance of the Common Shares does not and will not: (i) conflict with or violate any provision of the Company's certificate or articles of incorporation, bylaws or other organizational or charter documents or (ii) subject to obtaining the Required Approvals, conflict with, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation (with or without notice, lapse of time or both) of any agreement, credit facility, debt, or other instrument (evidencing the Company's debt or otherwise) or other understanding to which the Company is a party or by which any property or asset of the Company is bound or affected, or (iii) result in a violation of any law, rule, regulation, order, judgment, injunction, decree, or other restriction of any court or governmental authority as currently in effect to which the Company is subject (including federal and state securities laws and regulations), or by which any property or asset of the Company is bound or affected; except in the case of each of clauses (ii) and (iii), such as could not, individually or in the aggregate have a Material Adverse Effect.

(d) Filings, Consents, and Approvals. The Company is not required to obtain any consent, waiver, authorization, or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local, or other governmental authority or other Person in connection with the execution, delivery and performance by the Company of this Subscription Agreement, other than: (i) the filing with the Securities and Exchange Commission ("*Commission*") of the Registration Statement pursuant to Section 5, (ii) the filing with the Commission of a Form D pursuant to Commission Regulation D (as applicable), (iii) any applicable Blue Sky filings, and (iv) listing with the NYSE Amex (collectively, the "*Required Approvals*").

(e) Issuance of the Common Shares. The Common Shares, and each component or underlying security, are duly authorized and, when issued and paid for in accordance with this Subscription Agreement, will be duly and validly issued, fully paid and nonassessable, free and clear of all liens, and not subject to any preemptive rights.

(f) Capitalization. The number of shares and type of all authorized, issued, and outstanding capital stock of the Company is as set forth in the SEC Reports as of the respective dates set forth therein. No Person has any right of first refusal, preemptive right, right of participation, or any similar right to participate in the Offering; provided that it is understood that the Company's Series E Warrants issued in connection with the Series E transaction have certain anti-dilution rights as described in the SEC Reports. No further approval or authorization of any stockholder, the Board of Directors of the Company, or others is required for the issuance and sale of the Common shares.

(g) SEC Reports; Financial Statements. The Company has filed all reports required to be filed by it under the Securities Act and the Exchange Act, including pursuant to Section 13(a) or 15(d) thereof, for the one year preceding the date hereof (or such shorter period as the Company was required by law to file such material) (the foregoing materials being collectively referred to herein as the "*SEC Reports*"). As of their respective dates, the SEC Reports complied in all material respects with the requirements of the Securities Act and the Exchange Act and the rules and regulations of the Commission promulgated thereunder, and none of the SEC Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The Company has advised Investor(s) that a copy of each of the SEC Reports (together with all exhibits and schedules thereto and as amended to date) is available at <http://www.sec.gov>, a website maintained by the Commission where Investor(s) may view the SEC Reports.

(h) Private Placement. Assuming the accuracy of the Investor representations and warranties set forth in Section 3, no registration under the Securities Act is required for the offer and sale of the Common Shares by the Company to the Investor as contemplated hereby.

(i) No General Solicitation. Neither the Company nor any Person acting on behalf of the Company has offered or sold any of the Common Shares by any form of general solicitation or general advertising. The Company has offered the Common Shares for sale only to each investor in the Offering and certain other "accredited investors" within the meaning of Rule 501 under the Securities Act.

5. Registration Rights. The Company shall file no later than thirty (30) days after the final Closing with the Securities and Exchange Commission (the "SEC") a registration statement under the Securities Act of 1933, as amended (the "Securities Act") to register the resale of the Common Shares (the "Registrable Securities"); provided, that the Company shall only be required to include the Registrable Securities to the extent that the Investor has provided to the Company all reasonable information requested by the Company as required to be included in the Registration Statement pursuant to SEC rules and guidance and further, provided that the Registrable Securities shall not be included to the extent all of such Registrable Securities have otherwise been transferred to persons who may trade such shares without restriction under the Securities Act, and the Company has delivered a new certificate or other evidence of ownership for such securities not bearing a restrictive legend or may otherwise be sold without restriction under the Securities Act.

(i) Investor may not participate in any registration hereunder which is underwritten unless Investor (A) agrees to sell its securities on the basis provided in any underwriting arrangements approved by the Company and (B) with respect to any registration, timely completes and executes all questionnaires and other customary documents.

(ii) All fees, disbursements and out-of-pocket expenses and costs incurred by the Company in connection with the preparation and filing of the Registration Statement shall be borne by the Company. Investor shall bear any reasonable cost of underwriting and/or brokerage discounts, fees, and commissions, if any, applicable to the Registrable Securities being registered and sold by an underwriter for the Investor and the fees and expenses of the Investor's counsel. The Company shall use its reasonable best efforts to qualify any of the Registrable Securities for sale in such states as the Investor reasonably designates provided that the Company shall not be required to qualify in any state which will require an escrow or other restriction relating to the Company and/or the sellers, or which will require the Company to qualify to do business in such state or require the Company to file therein any general consent to service of process and the Company shall in no event be required to qualify in greater than five states.

(iii) Notwithstanding any other provisions hereof, with respect to an underwritten public offering by the Company, if the managing underwriter advises the Company that marketing or other factors require a limitation of the number of shares to

be underwritten, then there shall be excluded from such registration and underwriting to the extent necessary to satisfy such limitation, Registrable Securities held by the Investor prior to any cutback of shares to be sold for the Company or any other holder of shares with registration rights. Further, the Investor shall agree not to sell any Registrable Securities included in the underwritten public offering for such period as may be reasonably required by the managing underwriter. In connection with filing any Registration Statement; if the SEC limits the amount of securities to be registered, then the Company shall be allowed to exclude the Registrable Securities from the Registration Statement prior to excluding any securities it desires to register on its own account and any securities entitled to registration rights under any other agreement to which the Company is a party.

6. Other Agreements of the Company and the Investor.

- (a) Press Releases. The Company may issue a press release if required upon the final closing of the offering and in its reasonable discretion.
- (b) Confidentiality. Each Investor agrees that he, she or it will keep confidential and will not disclose, divulge or use for any purpose any confidential, proprietary or secret information, which such Investor may obtain from the Company pursuant to financial statements, reports and other materials or information submitted by the Company to such Investor pursuant to or in connection with this Subscription Agreement or otherwise (but not including the filed SEC Reports) (“Confidential Information”), unless such Confidential Information is known, or until such Confidential Information becomes known, to the public (other than as a result of a breach of this section by such Investor); provided, however, that an Investor may disclose Confidential Information (i) to his, her or its attorneys, accountants, consultants, and other professionals to the extent necessary to obtain their services in connection with monitoring his, her or its investment in the Company, or (ii) as may otherwise be required by law, provided that the Investor takes reasonable steps to minimize the extent of any such required disclosure and promptly notifies the Company when it becomes aware of such legal requirement.

7. Miscellaneous.

- (a) Termination. The Investor agrees that he shall not cancel, terminate, or revoke this Subscription Agreement or any agreement of the Investor made hereunder other than as set forth herein, and that this Subscription Agreement shall survive the death or disability of the Investor. If the Company elects to cancel this Subscription Agreement, provided that it returns to the Investor, without interest and without deduction, all sums paid by the Investor, this Offer shall be null and void and of no further force and effect, and no party shall have any rights against any other party hereunder.

- (b) Entire Agreement. This Subscription Agreement, together with the schedules and exhibits hereto, contains the entire understanding of the Company and the Investor with respect to the subject matter hereof.

- (c) Notices. Any and all notices or other communications or deliveries required or permitted to be provided hereunder shall be in writing and shall be deemed given and effective on the earliest of (a) the second Business Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service, or (b) upon actual receipt by the party to whom such notice is required to be given. The address for such notices and communications shall be to the Investor at his address set forth on the Investor Signature Page, and to the Company at the addresses set forth in the SEC Reports.

- (d) Amendments; Waivers. No provision of this Agreement may be waived or amended except in a written instrument signed, in the case of an amendment, or in the case of a waiver, by the Company and the individual Investor. No waiver of any default with respect to any provision, condition or requirement of this Agreement shall be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor shall any delay or omission of either party to exercise any right hereunder in any manner impair the exercise of any such right.

- (e) Construction. The headings herein are for convenience only, do not constitute a part of this Subscription Agreement and shall not be deemed to limit or affect any of the provisions hereof.

- (f) Successors and Assigns. This Subscription Agreement shall be binding upon and inure to the benefit of the parties and their successors and permitted assigns. The Company may not assign this Subscription Agreement or any rights or obligations hereunder without the prior written consent of each Investor in the Offering. Investor may assign any or all of its rights under this Agreement to any Person to whom Investor assigns or transfers any of the Common Shares.

(g) No Third-Party Beneficiaries. This Subscription Agreement is intended for the benefit of the parties hereto and their respective successors and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other Person.

(h) Governing Law. All questions concerning the construction, validity, enforcement, and interpretation of this Subscription Agreement shall be governed by and construed and enforced in accordance with the internal laws of the State of New York, without regard to the principles of conflicts of law thereof. Each party agrees that all legal proceedings concerning the interpretations, enforcement and defense of the transactions contemplated by this Subscription Agreement (whether brought against a party hereto or its respective affiliates, directors, officers, shareholders, employees, or agents) shall be commenced exclusively in the state and federal courts sitting in the City of New York. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the City of New York, Borough of Manhattan for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is improper or inconvenient venue for such proceeding. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Subscription Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. The parties hereby waive all rights to a trial by jury. If either party shall commence an action or proceeding to enforce any provisions of this Subscription Agreement, then the prevailing party in such action or proceeding shall be reimbursed by the other party for its attorneys' fees and other costs and expenses incurred with the investigation, preparation, and prosecution of such action or proceeding.

(i) Survival. The representations and warranties contained herein shall survive the closing of the transaction hereunder.

(j) Execution. In the event that any signature is delivered by facsimile transmission, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile signature page were an original thereof. This Agreement may be executed in two or more counterparts each of which shall be deemed an original, but all of which shall together constitute one and the same instrument.

(k) Severability. If any provision of this Subscription Agreement is held to be invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and provisions of this Subscription Agreement shall not in any way be affected or impaired thereby and the parties will attempt to agree upon a valid and enforceable provision that is a reasonable substitute therefor, and upon so agreeing, shall incorporate such substitute provision in this Subscription Agreement.

(l) Remedies. In addition to being entitled to exercise all rights provided herein or granted by law, including recovery of damages, each of Investor and the Company will be entitled to specific performance under this Subscription Agreement. The parties agree that monetary damages may not be adequate compensation for any loss incurred by reason of any breach of obligations described in the foregoing sentence and hereby agrees to waive in any action for specific performance of any such obligation the defense that a remedy at law would be adequate.

(m) Fees and Expenses. Except as provided in writing, the parties hereto shall be responsible for their own legal and other expenses, if any, in connection with this transaction.

NeoStem, Inc.

Attention: Chief Executive Officer

Ladies and Gentlemen:

The undersigned investor (the “Investor”) under the following terms and conditions, offers to subscribe (the “Offer”) for the securities of NeoStem, Inc., a Delaware corporation (the “Company” or “NeoStem”). The Company is offering (the “Offering”) units (“Units”) at a per Unit price equal to \$60.00 (the “Unit Price”), with each Unit consisting of (a) 100 shares (the “Common Shares”) of common stock, \$.001 par value (the “Common Stock”) and (b) 75 warrants (each, a “Warrant” and together the “Warrants”) each for the purchase of one share of Common Stock (each, a “Warrant Share”) at an exercise price equal to the greater of (i) \$.75 or (ii) \$0.01 above the closing price of the Common Stock on the date the Subscription Agreement is executed by the investor, subject to adjustment, exercisable after the date of issuance and expiring five years from the date of issuance. The form of Warrant is attached hereto as Exhibit A.

The Investor understands that the Units are being issued pursuant to one or more exemptions from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act” or the “Act”), in a private placement pursuant to an exemption from registration under Regulation D promulgated under Section 4(2) and Rule 506 of the Act and/or an exemption from registration under Regulation S promulgated under the Securities Act. As such, the Common Stock, the Warrants and the Warrant Shares each are “restricted securities” and may not be sold or transferred absent a registration statement declared effective under the Act or an exemption from the registration requirements of the Act.

1. Subscription.

The closing (the “Closing”) of the transactions hereunder shall take place at the offices of the Company or at such other location as the Company may determine after the receipt by the Company of subscriptions for Units from Investors from time to time and after it has been determined that all conditions in this Agreement have been met. At each Closing, funds equal to the Subscription Amount of each Investor shall be delivered to the Company and the Company shall promptly thereafter deliver to each such Investor his, her or its respective Common Shares and Warrants as provided herein. The Company may close on any number of Units it may choose in its sole determination.

Subject to the terms and conditions hereinafter set forth in this Subscription Agreement, the Investor hereby offers to subscribe for Units as set forth in the Investor Signature Page attached hereto and contemporaneously herewith makes payment for the purchase of the Units by wire transfer or bank check.

2. Conditions.

The Offer is made subject to the following conditions: (i) that the Company, acting in good faith, shall have the right to accept or reject this Offer, in whole or in part, for any reason; (ii) that the Investor agrees to comply with the terms of this Subscription Agreement; and (iii) the Units are accepted for listing on the NYSE MKT.

Acceptance of this Offer shall be deemed given by the countersigning of this Subscription Agreement by the Company. In the event the Company does not accept the Offer, any and all proceeds for the purchase of the Units by the Investor shall be returned to Investor.

3. Representations and Warranties of the Investor.

The Investor, in order to induce the Company to accept this Offer, hereby warrants and represents as follows:

PLEASE CHECK ONE OR BOTH OF THE TWO BOXES BELOW AS APPROPRIATE:

Investor is purchasing under Regulation D

OR

Investor is purchasing under Regulation S

(a) Organization; Authority. The Investor, if not an individual, is an entity duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization with the requisite power and authority to enter into and to consummate the transactions contemplated by this Subscription Agreement and otherwise to carry out its obligations hereunder. The purchase by Investor of the Units hereunder has been duly authorized by all necessary action on the part of Investor. This Subscription Agreement has been duly executed by Investor, and when delivered by Investor in accordance with the terms hereof, will constitute the valid and legally binding obligation of Investor, enforceable against it in accordance with its terms, except (i) as limited by general equitable principles and applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, and (ii) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies.

(b) Investor Representation for Purchase under Regulation D.

(i) Restricted Securities. Investor understands that the Units, Common Shares, Warrants and Warrant Shares (collectively the "Securities") are each "restricted securities" and have not been registered under the Securities Act or qualified under any applicable state securities law by reason of their issuance in a transaction that does not require registration or qualification (based in part on the accuracy of the representations and warranties of the Investor contained herein), and that such securities must be held indefinitely unless a subsequent disposition is registered under the Securities Act or any applicable state securities laws or is exempt from such registration. The Investor hereby agrees that the Company may insert the following or similar legend on the face of the certificates evidencing the Units, Common Shares, Warrants and Warrant Shares, if required in compliance with federal and state securities laws:

"THESE SECURITIES HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT") NOR UNDER THE SECURITIES LAWS OF ANY STATE. THEY MAY NOT BE SOLD, OFFERED FOR SALE, OR HYPOTHECATED IN THE ABSENCE OF A REGISTRATION STATEMENT IN EFFECT WITH RESPECT TO THE SECURITIES UNDER SUCH ACT OR AN OPINION OF COUNSEL REASONABLY SATISFACTORY TO THE COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED PURSUANT TO A VALID EXEMPTION THEREFROM UNDER THE SECURITIES ACT."

The Investor understands and acknowledges that the U.S. Securities and Exchange Commission (the "Commission") currently takes the position that coverage of short sales of shares of the Common Stock "against the box" prior to the effective date of a registration statement registering the re-sale of the Common Shares and the Warrant Shares is a violation of Section 5 of the Securities Act, as set forth in Item 65, Section 5 under Section A, of the Manual of Publicly Available Telephone Interpretations, dated July 1997, compiled by the Office of Chief Counsel, Division of Corporation Finance. Accordingly, the Investor agrees not to use any of the Common Shares or Warrant Shares to cover any short sales made prior to the effective date of such registration statement.

(ii) No Distribution. Investor is acquiring the Units as principal for its own account, in the ordinary course of its business, and not with a view to or for distributing or reselling such Units or any part thereof. Investor has no present intention of distributing any of such Common Shares, Warrants or Warrant Shares and has no agreement or understanding, directly or indirectly, with any other individual, corporation, partnership, trust, incorporated or unincorporated association, joint venture, limited liability company, joint stock company, government (or an agency or subdivision thereof), or other entity of any kind (each, a "Person") regarding the distribution of such Common Shares, Warrants or Warrant Shares (this representation and warranty not limiting such Investor's right or intent to sell the Common Share, Warrants or Warrant Shares pursuant to a Registration Statement or otherwise in compliance with applicable federal and state securities laws).

(iii) Investor Status. Investor is an "Accredited Investor" as defined in Rule 501(a)(1), (a)(2), (a)(3), (a)(7), or (a)(8) under the Securities Act. In general, an Accredited Investor is deemed to be an institution with assets in excess of \$5,000,000 or individuals with net worth in excess of \$1,000,000 (excluding the value of the Investor's home) or annual income exceeding \$200,000, or \$300,000 jointly with their spouse and is defined on Schedule A hereto.

(iv) Experience of Investor. Investor, either alone or together with its representatives, has such knowledge, sophistication, and experience in business and financial matters so as to be capable of evaluating the merits and risks of the prospective investment in the Units, and has so evaluated the merits and risks of such investment. The Investor has not authorized any Person to act as his Purchaser Representative (as that term is defined in Regulation D of the General Rules and Regulations under the Act) in connection with this transaction. Investor is able to bear the economic risk of an investment in the Units and, at the present time, is able to afford a complete loss of such investment.

(v) General Solicitation. Investor is not purchasing the Units as a result of any advertisement, article, notice or other communication regarding the Units published in any newspaper, magazine, or similar media or broadcast over television or radio or presented at any seminar or any other general solicitation or general advertisement.

(c) Investor Representations for Purchase under Regulation S.

(i) Restricted Securities. Investor understands that the Units, Common Shares, Warrants and Warrant Shares (collectively the "Securities") are each "restricted securities" and have not been registered under the Securities Act or qualified under any applicable state securities law by reason of their issuance in a transaction that does not require registration or qualification (based in part on the accuracy of the representations and warranties of the Investor contained herein), and that such securities must be held indefinitely unless a subsequent disposition is registered under the Securities Act or any applicable state securities laws or is exempt from such registration. The Investor hereby agrees that the Company may insert the following or similar legend on the face of the certificates evidencing the Units, Common Shares, Warrants and Warrant Shares, if required in compliance with federal and state securities laws:

"THESE SECURITIES HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "ACT"), AND MAY NOT BE SOLD, TRANSFERRED OR OTHERWISE DISTRIBUTED, DIRECTLY OR INDIRECTLY, IN THE UNITED STATES, ITS TERRITORIES, POSSESSIONS, OR AREAS SUBJECT TO ITS JURISDICTION, OR TO OR FOR THE ACCOUNT OR BENEFIT OF A "U.S. PERSON" AS THAT TERM IS DEFINED IN RULE 902 OR REGULATION S OF THE ACT, AT ANY TIME PRIOR TO ONE (1) YEAR AFTER THE ISSUANCE OF THIS CERTIFICATE, IN THE ABSENCE OF (i) AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER THE ACT, OR (ii) AN OPINION OF COUNSEL REASONABLY SATISFACTORY TO THE COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED PURSUANT TO A VALID EXEMPTION THEREFROM UNDER THE ACT. HEDGING TRANSACTIONS INVOLVING THE SHARES REPRESENTED HEREBY MAY NOT BE CONDUCTED UNLESS IN COMPLIANCE WITH THE ACT. ANY SALES, TRANSFERS OR OTHER DISTRIBUTIONS OF THE SECURITIES MUST BE MADE IN ACCORDANCE WITH THE PROVISIONS OF REGULATION S OF THE ACT. THIS CERTIFICATE MUST BE SURRENDERED TO THE COMPANY OR ITS TRANSFER AGENT AS A CONDITION PRECEDENT TO THE SALE, TRANSFER OR OTHER DISTRIBUTION OF ANY INTEREST IN ANY OF THE SECURITIES REPRESENTED BY THIS CERTIFICATE."

The Investor understands and acknowledges that the U.S. Securities and Exchange Commission (the "Commission") currently takes the position that coverage of short sales of shares of the Common Shares "against the box" prior to the effective date of a registration statement registering the re-sale of the Units, Common Shares, Warrants and Warrant Shares is a violation of Section 5 of the Securities Act, as set forth in Item 65, Section 5 under Section A, of the Manual of Publicly Available Telephone Interpretations, dated July 1997, compiled by the Office of Chief Counsel, Division of Corporation Finance. Accordingly, without limiting the restrictions set forth herein, Investor agrees not to use any of the Units, Common Shares, Warrants and Warrant Shares to cover any short sales made prior to the effective date of such registration statement.

(ii) (a) Non-U.S. Person. The Investor is a Non-U.S. Person (as defined herein). As used herein, the term "United States" means and includes the United States of America, its territories and possessions, any State of the United States, and the District of Columbia, and the term "Non-U.S. Person" means any person who is not a U.S. Person, within the meaning of Regulation S, the definition of which is set forth on Schedule B attached hereto, or is deemed not to be a U.S. Person pursuant to Rule 902(k)(2) of Regulation S, as set forth on Schedule C attached hereto.

(b) The Investor has been advised and acknowledges that:

- (1) the Securities have not been, and when issued, will not be registered pursuant to the Securities Act, the securities laws of any state of the United States or the securities laws of any other country;

- (2) in issuing and selling the Securities to the Investor pursuant hereto, the Company is relying upon the “safe harbor” provided by Regulation S;
- (3) it is a condition to the availability of the Regulation S “safe harbor” that the Securities not be offered or sold in the United States or to a U.S. Person until the expiration of a period of one year following the Closing (the “*Restricted Period*”); and
- (4) notwithstanding the foregoing, prior to the expiration of the *Restricted Period* the Securities may be offered or sold by the holder thereof if such offer and sale is made in compliance with the terms of this Agreement and either: (A) if the offer or sale is within the United States or to or for the account of a U.S. Person (as such terms are defined in Regulation S), the sale is made pursuant to an effective registration statement or pursuant to an exemption from the registration requirements of the Securities Act; or (B) the offer and sale is outside the United States and to other than a U.S. Person.

(iii) The Investor agrees that with respect to the Securities until the expiration of the *Restricted Period*:

- (1) the Investor, its agents or its representatives have not and will not solicit offers to buy, offer for sale or sell any of the Securities, or any beneficial interest therein in the United States or to or for the account of a U.S. Person during the *Restricted Period*; and
- (2) notwithstanding the foregoing, prior to the expiration of the *Restricted Period* the Securities shall not be offered or sold by the holder thereof unless such offer and sale is made in compliance with the terms of this Agreement and either: (A) if the offer or sale is within the United States or to or for the account of a U.S. Person (as such terms are defined in Regulation S), the sale is made pursuant to an effective registration statement or pursuant to an exemption from the registration requirements of the Securities Act; or (B) the offer and sale is outside the United States and to other than a U.S. Person; and
- (3) the Investor will not engage in hedging transactions with regard to the Securities unless in compliance with the Securities Act.

The foregoing restrictions are binding upon subsequent transferees of the Securities, except for transferees pursuant to an effective registration statement. The Investor agrees that after the *Restricted Period*, the Securities may be offered or sold within the United States or to or for the account of a U.S. Person only pursuant to applicable securities laws, including, without limitation, Regulation S.

(iv) The Investor is not purchasing the Securities as a result of any advertisement, article, notice or other communication regarding the Securities published in any newspaper, magazine or similar media or broadcast over television or radio or presented at any seminar or other general solicitation or advertisement. The Investor has not engaged, nor is it aware that any party has engaged, and the Investor will not engage or cause any third party to engage, in any “directed selling efforts,” as such term is defined in Regulation S, in the United States with respect to the Securities.

(v) The Investor: (1) is domiciled and has its principal place of business outside the United States; (2) certifies it is not a U.S. Person and is not acquiring the Securities for the account or benefit of any U.S. Person; and (3) at the time of the Closing, the Investor or persons acting on the Investor's behalf in connection therewith will be located outside the United States.

(vi) At the time of offering to the Investor and communication of the Investor's order to purchase the Securities and at the time of the Investor's execution of this Agreement, the Investor or persons acting on the Investor's behalf in connection therewith were located outside the United States.

(vii) The Investor is not a "distributor" (as defined in Regulation S) or a "dealer" (as defined in the Securities Act).

(viii) The Investor acknowledges that the Company shall make a notation in its stock books regarding the restrictions on transfer set forth in this Agreement and shall transfer such shares on the books of the Company only to the extent consistent therewith. In particular, the Investor acknowledges that the Company shall refuse to register any transfer of the Securities not made in accordance with the provisions of Regulation S, pursuant to registration pursuant to the Securities Act or pursuant to an available exemption from registration.

(ix) The Investor hereby represents that the Investor is satisfied as to the full observance of the laws of the Investor's jurisdiction in connection with any invitation to subscribe for the Securities or any use of the Agreement, including (i) the legal requirements within such Investor's jurisdiction for the purchase of the Securities, (ii) any foreign exchange restrictions applicable to such purchase, (iii) any governmental or other consents that may need to be obtained and (iv) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, redemption, sale or transfer of the Securities. The Investor's subscription and payment for, and the Investor's continued beneficial ownership of, the Securities will not violate any applicable securities or other laws of the Investor's jurisdiction.

(x) The Investor is a resident of a country (an "*International Jurisdiction*") other than Canada or the United States and the decision to subscribe for the Securities was taken in such International Jurisdiction.

(xi) The delivery of this Subscription Agreement, the acceptance of it by the Company and the issuance of the Securities to the Investor complies with all laws applicable to the Investor, including the laws of the Investor's jurisdiction of formation, and all other applicable laws, and will not cause the Company to become subject to, or require it to comply with, any disclosure, prospectus, filing or reporting requirements under any applicable laws of the International Jurisdiction.

(xii) The Investor is knowledgeable of, or has been independently advised as to, the application or jurisdiction of the securities laws of the International Jurisdiction which would apply to the subscription (other than the securities laws of Canada and the United States).

(xiii) The Investor is purchasing the Securities pursuant to exemptions from the prospectus and registration requirements (or their equivalent) under the applicable securities laws of that International Jurisdiction or, if such is not applicable, each is permitted to purchase the Securities under the applicable securities laws of the International Jurisdiction without the need to rely on an exemption.

(xiv) The applicable securities laws do not require the Company to register any of the Securities, file a prospectus or similar document, or make any filings or disclosures or seek any approvals of any kind whatsoever from any regulatory authority of any kind whatsoever in the International Jurisdiction.

(xv) The Investor will not sell, transfer or dispose of the Securities except in accordance with all applicable laws, including, without limitation, applicable securities laws of each of International Jurisdiction, Canada and the United States, and the Investor acknowledges that the Company shall have no obligation to register any such purported sale, transfer or disposition which violates applicable, International Jurisdiction, Canadian or United States or other securities laws.

(xvi) Investor Status. Investor is an "Accredited Investor" as defined in Rule 501(a)(1), (a)(2), (a)(3), (a)(7), or (a)(8) under the Securities Act. (xvii) Experience of Investor. The Investor, either alone or together with its representatives, has such knowledge, sophistication, and experience in business and financial matters so as to be capable of evaluating the merits and risks of the prospective investment in the Securities, and has so evaluated the merits and risks of such

investment. The Investor is able to bear the economic risk of an investment in the Securities and, at the present time, is able to afford a complete loss of such investment.

(d) Access to Information. The Investor has reviewed the SEC Reports (as that term is defined in Section 4(g)) . The Investor has also been afforded the opportunity to ask questions of, and receive answers from, the officers and/or directors of the Company concerning the terms and conditions of the Offering and to obtain any additional information, to the extent that the Company possesses such information, which Investor considers necessary and appropriate in order to permit Investor to evaluate the merits and risks of an investment in the Units. It is understood that all documents, records, and books pertaining to this investment have been made available for inspection by the Investor during reasonable business hours at the Company's principal place of business. Notwithstanding the foregoing, it is understood that the Investor is purchasing the Units without being furnished any prospectus setting forth all of the information that would be required to be furnished under the Securities Act and this Offering has not been passed upon or the merits thereof endorsed or approved by any state or federal authorities.

4. Representations and Warranties of the Company.

The Company hereby makes the following representations and warranties to the Investor:

(a) Organization and Qualification. The Company is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Delaware, with the requisite power and authority to own and use its properties and assets and to carry on its business as currently conducted. The Company is not in violation or default of any of the provisions of its respective certificate or articles of incorporation, bylaws or other organizational or charter documents. The Company is duly qualified to conduct business and is in good standing as a foreign corporation in each jurisdiction in which the nature of the business conducted or property owned by it makes such qualification necessary, except where the failure to be so qualified or in good standing, as the case may be, would not have or reasonably be expected to result in (i) a material adverse effect on the legality, validity or enforceability of this Subscription Agreement, (ii) a material adverse effect on the results of operations, assets, business, prospects or financial condition of the Company, taken as a whole, or (iii) a material adverse effect on the Company's ability to perform in any material respect on a timely basis its obligations under this Subscription Agreement (any of (i), (ii), or (iii), a "*Material Adverse Effect*").

(b) Authorization; Enforcement. The Company has the requisite corporate power and authority to enter into and to consummate the Offering, to issue the Units and, upon due exercise of the Warrants, to duly issue the shares of Common Stock deliverable thereunder. The execution and delivery of this Subscription Agreement and the Units by the Company and the consummation by it of the transactions contemplated hereby have been duly authorized by all necessary action on the part of the Company and no further consent or action is required by the Company, other than the Required Approvals (as defined below). This Subscription Agreement, when executed and delivered in accordance with the terms hereof, will constitute the valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except (i) as limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other laws of general application affecting enforcement of creditors' rights generally and (ii) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies.

(c) No Conflicts. The execution, delivery, and performance of this Subscription Agreement by the Company and the consummation by the Company of the Offering and issuance of the Units does not and will not: (i) conflict with or violate any provision of the Company's certificate or articles of incorporation, bylaws or other organizational or charter documents or (ii) subject to obtaining the Required Approvals, conflict with, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation (with or without notice, lapse of time or both) of any agreement, credit facility, debt, or other instrument (evidencing the Company's debt or otherwise) or other understanding to which the Company is a party or by which any property or asset of the Company is bound or affected, or (iii) result in a violation of any law, rule, regulation, order, judgment, injunction, decree, or other restriction of any court or governmental authority as currently in effect to which the Company is subject (including federal and state securities laws and regulations), or by which any property or asset of the Company is bound or affected; except in the case of each of clauses (ii) and (iii), such as could not, individually or in the aggregate have a Material Adverse Effect.

(d) Filings, Consents, and Approvals. The Company is not required to obtain any consent, waiver, authorization, or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local, or other governmental authority or other Person in connection with the execution, delivery and performance by the Company of this Subscription Agreement, other than: (i) the filing with the Commission of a Form D pursuant to

Commission Regulation D (as applicable), (ii) any applicable Blue Sky filings, and (iii) listing with the NYSE MKT (collectively, the “*Required Approvals*”).

(e) Issuance of the Units. The Units, and each component or underlying security, are duly authorized and, when issued and paid for in accordance with this Subscription Agreement, will be duly and validly issued, fully paid and nonassessable, free and clear of all liens, and not subject to any preemptive rights. The Company will reserve from its duly authorized capital stock a number of shares of Common Stock required for issuance of the Warrant Shares.

(f) Capitalization. The number of shares and type of all authorized, issued, and outstanding capital stock of the Company is as set forth in the SEC Reports as of the respective dates set forth therein. No Person has any right of first refusal, preemptive right, right of participation, or any similar right to participate in the Offering; provided that it is understood that the Company's Series E Preferred warrant holders (issued in connection with the Series E Preferred stock which has since been redeemed) have certain anti-dilution rights as described in the SEC Reports. No further approval or authorization of any stockholder, the Board of Directors of the Company, or others is required for the issuance and sale of the Units and the underlying Warrant Shares. Upon exercise of the Warrants in accordance with their terms, the Warrant Shares issuable thereby will be deemed duly authorized, validly issued, fully paid and non-accessible in all respects.

(g) SEC Reports; Financial Statements. The Company has filed all reports required to be filed by it under the Securities Act and the Exchange Act, including pursuant to Section 13(a) or 15(d) thereof, for the one year preceding the date hereof (or such shorter period as the Company was required by law to file such material) (the foregoing materials being collectively referred to herein as the “*SEC Reports*”). As of their respective dates, the SEC Reports complied in all material respects with the requirements of the Securities Act and the Exchange Act and the rules and regulations of the Commission promulgated thereunder, and none of the SEC Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The Company has advised Investor(s) that a copy of each of the SEC Reports (together with all exhibits and schedules thereto and as amended to date) is available at <http://www.sec.gov>, a website maintained by the Commission where Investor(s) may view the SEC Reports.

(h) Private Placement. Assuming the accuracy of the Investor representations and warranties set forth in Section 3, no registration under the Securities Act is required for the offer and sale of the Units by the Company to the Investor as contemplated hereby or the exercise of the Warrants.

(i) No General Solicitation. Neither the Company nor any Person acting on behalf of the Company has offered or sold any of the Units by any form of general solicitation or general advertising. The Company has offered the Units for sale only to each investor in the Offering and certain other “accredited investors” within the meaning of Rule 501 under the Securities Act.

5. Other Agreements of the Company and the Investor.

(a) Exercise Procedures. The form of Notice of Exercise included in the Warrants sets forth the totality of the procedures required of the Investor in order to exercise the Warrants.

(b) Press Releases. The Company may issue a press release if required upon the final closing of the offering and in its reasonable discretion.

(c) Confidentiality. Each Investor agrees that he, she or it will keep confidential and will not disclose, divulge or use for any purpose any confidential, proprietary or secret information, which such Investor may obtain from the Company pursuant to financial statements, reports and other materials or information submitted by the Company to such Investor pursuant to or in connection with this Subscription Agreement or otherwise (but not including the filed SEC Reports) (“*Confidential Information*”), unless such Confidential Information is known, or until such Confidential Information becomes known, to the public (other than as a result of a breach of this section by such Investor); provided, however, that an Investor may disclose Confidential Information (i) to his, her or its attorneys, accountants, consultants, and other professionals to the extent necessary to obtain their services in connection with monitoring his, her or its investment in the Company, or (ii) as may otherwise be required by law, provided that the Investor takes reasonable steps to minimize the extent of any such required disclosure and promptly notifies the Company when it becomes aware of such legal requirement.

6. Miscellaneous.

- (a) Termination. The Investor agrees that he shall not cancel, terminate, or revoke this Subscription Agreement or any agreement of the Investor made hereunder other than as set forth herein, and that this Subscription Agreement shall survive the death or disability of the Investor. If the Company elects to cancel this Subscription Agreement, provided that it returns to the Investor, without interest and without deduction, all sums paid by the Investor, this Offer shall be null and void and of no further force and effect, and no party shall have any rights against any other party hereunder.
- (b) Entire Agreement. This Subscription Agreement, together with the schedules and exhibits hereto, contains the entire understanding of the Company and the Investor with respect to the subject matter hereof.
- (c) Notices. Any and all notices or other communications or deliveries required or permitted to be provided hereunder shall be in writing and shall be deemed given and effective on the earliest of (a) the second Business Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service, or (b) upon actual receipt by the party to whom such notice is required to be given. The address for such notices and communications shall be to the Investor at his address set forth on the Investor Signature Page, and to the Company at the addresses set forth in the SEC Reports.
- (d) Amendments; Waivers. No provision of this Agreement may be waived or amended except in a written instrument signed, in the case of an amendment, or in the case of a waiver, by the Company and the individual Investor. No waiver of any default with respect to any provision, condition or requirement of this Agreement shall be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor shall any delay or omission of either party to exercise any right hereunder in any manner impair the exercise of any such right.
- (e) Construction. The headings herein are for convenience only, do not constitute a part of this Subscription Agreement and shall not be deemed to limit or affect any of the provisions hereof.
- (f) Successors and Assigns. This Subscription Agreement shall be binding upon and inure to the benefit of the parties and their successors and permitted assigns. The Company may not assign this Subscription Agreement or any rights or obligations hereunder without the prior written consent of each Investor in the Offering. Investor may assign any or all of its rights under this Agreement to any Person to whom Investor assigns or transfers any of the Common Shares or Warrant Shares.
- (g) No Third-Party Beneficiaries. This Subscription Agreement is intended for the benefit of the parties hereto and their respective successors and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other Person.
- (h) Governing Law. All questions concerning the construction, validity, enforcement, and interpretation of this Subscription Agreement shall be governed by and construed and enforced in accordance with the internal laws of the State of New York, without regard to the principles of conflicts of law thereof. Each party agrees that all legal proceedings concerning the interpretations, enforcement and defense of the transactions contemplated by this Subscription Agreement (whether brought against a party hereto or its respective affiliates, directors, officers, shareholders, employees, or agents) shall be commenced exclusively in the state and federal courts sitting in the City of New York. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the City of New York, Borough of Manhattan for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is improper or inconvenient venue for such proceeding. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Subscription Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. The parties hereby waive all rights to a trial by jury. If either party shall commence an action or proceeding to enforce any provisions of this Subscription Agreement, then the prevailing party in such action or proceeding shall be reimbursed by the other party for its attorneys' fees and other costs and expenses incurred with the investigation, preparation, and prosecution of such action or proceeding.
- (i) Survival. The representations and warranties contained herein shall survive the closing of the transaction hereunder.

(j) Execution. In the event that any signature is delivered by facsimile transmission, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile signature page were an original thereof. This Agreement may be executed in two or more counterparts each of which shall be deemed an original, but all of which shall together constitute one and the same instrument.

(k) Severability. If any provision of this Subscription Agreement is held to be invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and provisions of this Subscription Agreement shall not in any way be affected or impaired thereby and the parties will attempt to agree upon a valid and enforceable provision that is a reasonable substitute therefor, and upon so agreeing, shall incorporate such substitute provision in this Subscription Agreement.

(l) Remedies. In addition to being entitled to exercise all rights provided herein or granted by law, including recovery of damages, each of Investor and the Company will be entitled to specific performance under this Subscription Agreement. The parties agree that monetary damages may not be adequate compensation for any loss incurred by reason of any breach of obligations described in the foregoing sentence and hereby agrees to waive in any action for specific performance of any such obligation the defense that a remedy at law would be adequate.

(m) Fees and Expenses. Except as provided in writing, the parties hereto shall be responsible for their own legal and other expenses, if any, in connection with this transaction.

WARRANT TO PURCHASE SHARES OF COMMON STOCK
OF
NEOSTEM, INC.

THIS CERTIFIES that, for value received, [INVESTOR], is entitled to purchase from NEOSTEM, INC., a Delaware corporation (the "Corporation"), subject to the terms and conditions hereof, _____ (_____) shares (the "Warrant Shares") of common stock, \$.001 par value (the "Common Stock"). This warrant, together with all warrants hereafter issued in exchange or substitution for this warrant, is referred to as the "Warrant" and the holder of this Warrant is referred to as the "Holder." The number of Warrant Shares is subject to adjustment as hereinafter provided. Notwithstanding anything to the contrary contained herein, this Warrant shall expire at 5:00 p.m. (Eastern Time) on _____, 2017 (the "Termination Date").

1. Exercise of Warrants. The Holder may, at any time commencing six months after the date of issuance and prior to the Termination Date, exercise this Warrant in whole or in part at an exercise price per share equal to the greater of: (i) \$.75 per share, or (ii) \$0.01 above the closing price of the Common Stock on the date the Subscription Agreement is executed by the investor, subject to adjustment as provided herein (the "Exercise Price"), by the surrender of this Warrant (properly endorsed) at the principal office of the Corporation, or at such other agency or office of the Corporation in the United States of America as the Corporation may designate by notice in writing to the Holder at the address of such Holder appearing on the books of the Corporation, and by payment to the Corporation of the Exercise Price in lawful money of the United States by check or wire transfer for each share of Common Stock being purchased. Upon any partial exercise of this Warrant, there shall be executed and issued to the Holder a new Warrant in respect of the shares of Common Stock as to which this Warrant shall not have been exercised. In the event of the exercise of the rights represented by this Warrant, a certificate or certificates for the Warrant Shares so purchased, as applicable, registered in the name of the Holder, shall be delivered to the Holder hereof as soon as practicable after the rights represented by this Warrant shall have been so exercised.

2. Reservation of Warrant Shares. The Corporation agrees that, prior to the expiration of this Warrant, it will at all times have authorized and in reserve, and will keep available, solely for issuance or delivery upon the exercise of this Warrant, the number of Warrant Shares as from time to time shall be issuable by the Corporation upon the exercise of this Warrant.

3. No Stockholder Rights; No Rights to Net Cash Settle. This Warrant shall not entitle the holder hereof to any voting rights or other rights as a stockholder of the Corporation. In no event may this Warrant be net cash settled.

4. Transferability of Warrant. Prior to the Termination Date and subject to compliance with applicable Federal and State securities and other laws, this Warrant and all rights hereunder are transferable, in whole or in part, at the office or agency of the Company by the Holder in person or by duly authorized attorney, upon surrender of this

Warrant together with the Assignment Form annexed hereto properly endorsed for transfer. Any registration rights to which this Warrant may then be subject shall be transferred together with the Warrant to the subsequent Investor.

5. Certain Adjustments. With respect to any rights that Holder has to exercise this Warrant and convert into shares of Common Stock, Holder shall be entitled to the following adjustments:

(a) Merger or Consolidation. If at any time there shall be a merger or a consolidation of the Corporation with or into another entity when the Corporation is not the surviving corporation, then, as part of such merger or consolidation, lawful provision shall be made so that the holder hereof shall thereafter be entitled to receive upon exercise of this Warrant, during the period specified herein and upon payment of the aggregate Exercise Price then in effect, the number of shares of stock or other securities or property (including cash) of the successor corporation resulting from such merger or consolidation, to which the holder hereof as the holder of the stock deliverable upon exercise of this Warrant would have been entitled in such merger or consolidation if this Warrant had been exercised immediately before such transaction. In any such case, appropriate adjustment shall be made in the application of the provisions of this Warrant with respect to the rights and interests of the holder hereof as the holder of this Warrant after the merger or consolidation.

(b) Reclassification, Recapitalization, etc. If the Corporation at any time shall, by subdivision, combination or reclassification of securities, recapitalization, automatic conversion, or other similar event affecting the number or character of outstanding shares of Common Stock, or otherwise, change any of the securities as to which purchase rights under this Warrant exist into the same or a different number of securities of any other class or classes, this Warrant shall thereafter represent the right to acquire such number and kind of securities as would have been issuable as the result of such change with respect to the securities that were subject to the purchase rights under this Warrant immediately prior to such subdivision, combination, reclassification or other change.

(c) Split or Combination of Common Stock and Stock Dividend. In case the Corporation shall at any time subdivide, redivide, recapitalize, split (forward or reverse) or change its outstanding shares of Common Stock into a greater number of shares or declare a dividend upon its Common Stock payable solely in shares of Common Stock, the Exercise Price shall be proportionately reduced and the number of Warrant Shares proportionately increased. Conversely, in case the outstanding shares of Common Stock of the Corporation shall be combined into a smaller number of shares, the Exercise Price shall be proportionately increased and the number of Warrant Shares proportionately reduced.

6. Legend and Stop Transfer Orders. Upon exercise of any part of the Warrant, the Corporation shall instruct its transfer agent to enter stop transfer orders with respect to such Warrant Shares, and all certificates or instruments representing the Warrant Shares shall bear on the face thereof substantially the following legend:

THE SECURITIES EVIDENCED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), OR ANY OTHER APPLICABLE SECURITIES LAWS AND HAVE BEEN ISSUED IN RELIANCE UPON AN EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND SUCH OTHER SECURITIES LAWS. NEITHER THIS SECURITY NOR ANY INTEREST OR PARTICIPATION HEREIN MAY BE SOLD, ASSIGNED, TRANSFERRED, ENCUMBERED, OR OTHERWISE DISPOSED OF, EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR AN OPINION OF COUNSEL REASONABLY SATISFACTORY TO THE CORPORATION THAT SUCH REGISTRATION IS NOT REQUIRED.

7. Redemption of Warrant. This Warrant is subject to redemption by the Company as provided in this Section 7.

(a) This Warrant may be redeemed, at the option of the Company, in whole and not in part, at a redemption price of \$.0001 per Warrant (the "Redemption Price"), provided (i) the average closing price of the Common

Stock as quoted by Bloomberg, LP., or the Principal Trading Market (as defined below) on which the Common Stock is included for quotation or trading, shall equal or exceed \$1.25 per share (taking into account all adjustments) for twenty (20) out of thirty (30) consecutive trading days. (b) If the conditions set forth in Section 7(a) are met, and the Company desires to exercise its right to redeem this Warrant, it shall mail a notice (the "Redemption Notice") to the registered holder of this Warrant by two day courier , at least ten (10) business days prior to the date fixed by the Company for redemption of the Warrants (the "Redemption Date").

(c) The Redemption Notice shall specify (i) the Redemption Price, (ii) the Redemption Date, (iii) the place where the Warrant certificates shall be delivered and the redemption price paid, and (iv) that the right to exercise this Warrant shall terminate at 5:00 p.m. (New York time) on the business day immediately preceding the Redemption Date. No failure to mail such notice nor any defect therein or in the mailing thereof shall affect the validity of the proceedings for such redemption except as to a holder (a) to whom notice was not mailed, or (b) whose notice was defective. An affidavit of the Secretary or an Assistant Secretary of the Company that the Redemption Notice has been mailed shall, in the absence of fraud, be *prima facie* evidence of the facts stated therein.

(d) Any right to exercise a Warrant shall terminate at 5:00 p.m. (New York time) on the business day immediately preceding the Redemption Date. On and after the Redemption Date, the holder of this Warrant shall have no further rights except to receive, upon surrender of this Warrant, the Redemption Price.

Re: Registration Statement on Form S-3

Ladies and Gentlemen:

We have served as special counsel in connection with the preparation of your Registration Statement on Form S-3 (the "Registration Statement") filed with the Securities and Exchange Commission under the Securities Act of 1933, as amended (the "Act"), relating the registration for resale under the Act by certain selling stockholders (the "Selling Stockholders") of an aggregate of 2,291,666 shares of common stock, par value \$0.001 per share ("Common Stock"), of NeoStem, Inc., a Delaware corporation (the "Company"), that have been issued (such shares of Common Stock that have been issued, the "Shares") or that are issuable upon exercise of warrants issued by the Company (such shares of Common Stock issuable upon exercise of warrants, the "Warrant Shares").

We have examined such corporate records, certificates and other documents and such questions of law as we have considered necessary and appropriate for the purposes of this opinion.

Upon the basis of such examination, we advise you that, in our opinion, (i) the Shares to be sold by the Selling Stockholders pursuant to the Registration Statement have been duly authorized and are validly issued, fully paid and non-assessable, and (ii) the Warrant Shares to be sold by the Selling Stockholders pursuant to the Registration Statement have been duly authorized and, when issued in accordance with the terms and conditions of the respective warrant (including the due payment of any exercise price therefore specified in the respective warrant), will be validly issued, fully paid and non-assessable.

Our opinion herein is expressed solely with respect to the federal laws of the United States and the General Corporation Law of the State of Delaware. Our opinion is based on these laws as in effect on the date hereof.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to the references to this firm in the Registration Statement. In giving such consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Act.

Very truly yours,
